

JULY 2026 CHURCH FAMILY NEWS

www.mossleyhillchurch.org.uk

Dear Church Family

This month I want to talk about some of the opportunities coming up in September to grow in our faith. We launch our Alpha course on Monday 21 September, which will run for 10 weeks at 7.30 p.m. at church (and there is a free meal the first evening!). Alpha is a great opportunity to explore your faith, whether you have been coming to church regularly for years, or only occasionally and more recently (and anywhere in between). It's also an ideal course to invite friends or family to who don't come to church and who may wish to discover what the Christian faith is all about for themselves. Please sign up – details of how to do so will be available soon. There is also a Youth Alpha course starting on Sunday 27 September (for those in school years 6-13) again running for 10 weeks between 5-6 pm (with free pizza!). Speak to Jessica, our youth worker, if you would like to attend. Finally, if you would like your son or daughter to be prepared to receive holy communion, there will be a preparation session for those in reception and above on Saturday 26 September between 10am-2pm (free lunch provided!). Please let Rachel Flynn in the office know if you are interested. So please do take some time this summer to prayerfully consider whether any of the above opportunities to grow in your faith might be helpful and sign up accordingly.

Wishing you all a great summer!

Jeremy

WELCOME:

A Three-Week Preaching Series through July

Everyone longs to belong. Join us as we explore how Jesus welcomed those others overlooked and what it means for us to become a church where everyone feels seen, valued, and loved.

Together we'll discover:

- Why welcome matters to God
- How simple acts of kindness can change lives
- How each of us can help others encounter the love of Christ

Welcoming is more than a greeting at the door – it's creating a community where people can belong, grow, and experience God's transforming grace. "Therefore welcome one another as Christ has welcomed you, for the glory of God."

ECO Ideas for July

It's Plastic Free July in laundry, a top source of microplastic pollution. Fibres from synthetic clothes (polyester, nylon, and acrylic for example) shed tiny fibres during washing and drying. These enter the sewage systems and are hard to filter out. Use a microfibre bag or ball to catch the fibres. Learn more at <https://www.plasticfreejuly.org/get-involved/what-you-can-do/>

Core Fundraising Project Highlight:

One of our core funding projects is to engage more with Local Community, though building relationships, serving with compassion, fostering belonging and hopeful collaboration.
